

We're looking for a Veteran **Personal Insurance Risk Advisor** who is passionate about relationship building, learning & educating, and leading by example.

Are you looking to regain that personal touch? And to feel empowered about the role you play in keeping people protected?

Are you wanting to grow as a leader? To share a vision and take ownership in growing an organization?

If your answers are 100% yes, we want to meet **you!**

Our team members are Advisors, because that's what we do - we don't broker our clients into a contract they know nothing about; we **advise, empower** and **protect** them through our **PEAK process**.

**Position:** Personal Lines Risk Advisor and Customer Service Manager

**Remuneration:** *(negotiable on experience, alignment and performance)*

- 50k - 80k a year
- Ownership opportunities
- Growth (no corporate glass ceiling here!)
- Company events
- Paid international travel for training
- Yearly education and donation allowances
- Health spending account
- Life and disability benefits
- Bonuses
- Paid leave

**Requirements:**

- Minimum of 4 year's insurance industry experience
- Minimum Level 2 General Insurance License
- Management/Leadership experience, and willingness to learn
- Exceptional soft skills
- Alignment with our **5 core values**
